# EXECUTIVE BIOGRAPHY

## Sean Deery

### *Founder & Chief Strategic Officer*

Welcome to the professional journey of Sean Deery, where strategic foresight meets transformative impact. Explore how his leadership and innovation are shaping solutions that influence industries, institutions, and global progress.

**Sean Deery** is the Founder and Chief Strategic Officer of **Hunting Maguire LLC**, a private strategic advisory firm dedicated to supporting high-impact individuals, UHNW families, corporate executives, private investors, and global leaders facing mission-critical decisions. Sean specializes in delivering confidential, intelligence-informed guidance that blends strategic clarity, real-world pragmatism, and absolute discretion.

Over his career, Sean has cultivated a reputation as a trusted advisor for individuals and organizations navigating complex transitions, sensitive reputational or crisis-related events, competitive challenges, geopolitical uncertainty, organizational restructuring, leadership dilemmas, and high-stakes decision environments. He is known for his ability to quickly synthesize information, identify patterns, map risk, and deliver practical, high-precision recommendations tailored to each client's unique priorities and constraints.

Sean's advisory framework draws from multidisciplinary strategic methodologies, including executive decision science, competitive intelligence, risk analysis, scenario modeling, crisis stabilization, organizational leadership, geopolitical insight, and long-range strategic architecture. He works discreetly with leaders

who require a confidential sounding board, strategic co-architect, or private counselor capable of delivering unfiltered clarity and deeply considered guidance. Hunting Maguire LLC was intentionally designed to serve a **very limited number of clients** at any given time, ensuring that each engagement receives the full weight of Sean's attention, intellectual rigor, and personalized support. His white-glove advisory approach includes founder-direct access, rapid responsiveness, secure communication systems, and zero-retention options for ultra-sensitive engagements.

Sean's portfolio of advisory work spans a wide range of domains, including strategic transformation initiatives, crisis intervention, market and geopolitical intelligence, leadership optimization, confidential personal advisory for UHNW individuals, stakeholder alignment strategies, and organizational future-state design. Whether providing a strategic memo, a crisis playbook, an executive briefing, or long-term advisory partnership, Sean's guidance is rooted in integrity, depth of analysis, and a steadfast commitment to client privacy. Above all, Sean believes that exceptional leaders deserve exceptional counsel. His mission is to empower clients to make bold, informed decisions that shape industries, safeguard reputations, strengthen organizations, and move their missions forward with confidence.

## Professional Highlights & Strategic Impact

Sean has played a pivotal role in numerous high-stakes initiatives across national security, financial innovation, and global development. His contributions include:

### National Security & Government Advisory

- Advisory to the White House and U.S. Department of Defense on national security and economic strategy
- Strategic frameworks underlying U.S. Military "Total Maritime Dominance" initiatives
- Diplomatic collaboration in the rebranding of the Golan Heights to Trump Heights
- Special Advisory Role in the U.S. Department of Energy's Genesis Mission

### Economic & Legislative Innovation

- Advisory to the White House on the proposed U.S. Sovereign Wealth Fund

- The GENIUS Act cryptocurrency legislation and regulatory architecture
- Big, Beautiful Bill legislative concept development

## **Global Development & Philanthropy**

- Founder of the MEGA Ecosystem, a portfolio of large-scale humanitarian and economic initiatives
- MEGA Cures Initiative to accelerate cures for the top 100 incurable diseases
- The Sanctuary at Serenity Square pilot project to provide housing and support for disabled veterans and vulnerable populations
- United for Paws initiative to eliminate high-kill animal shelters nationwide

Across these domains, Sean’s work reshapes economic development models, national-level strategy, diplomatic policy, and global philanthropy—combining innovation, leadership vision, and real-world execution.

## **Sean Deery's Expertise**

Sean specializes in strategic advisory, institutional design, and high-stakes decision environments. His work spans economic development, policy architecture, global systems strategy, and emerging technology integration.

His expertise includes public–private collaboration, national-scale project design, organizational leadership, and sovereign-level strategy execution. Sean provides frameworks and insights that support long-term transformation, operational resilience, and institutional capacity building.
